Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 7-15 are rejected under 35 U.S.C. 102(e) as being anticipated by Milsted et al [Milsted 6,345,255 B1].

3. As per claim 7 Milsted discloses A web content downloading method for a network kiosk associated with a store [Milsted, End user device, col 9 lines 54-65; download content web site, col 70 lines 27-65] comprising the steps of:
 - (a) storing a schedule containing a number of web content addresses and corresponding download times by the kiosk, wherein the download times are chosen to occur when the kiosk is not being used by an operator to select and browse web pages [Milsted, schedule the download to occur at a later time, col 84 lines 34-53];
 - (b) waiting until the download times in accordance with the schedule by the kiosk; and

(c) downloading and storing web content at the web content addresses at the download times in accordance with the schedule by the kiosk [Milsted, scheduled download time occurs is saved, col 12 line 31-col 85 line 14].

4. As per claim 9 Milsted discloses the web content comprises media files [Milsted, multimedia, col 2 lines 54-64].

5. As per claim 10 Milsted discloses the download times occur after store hours when the kiosk is without an operator [Milsted, schedule the download to occur at a later time, col 84 lines 34-53].

6. Claims 11,13,14 contain the similar limitations set forth in claims 7,9,10. Therefore claims 11-14 are rejected for the same rationale set forth in claims 7-10.

7. As per claims 8,12 Milsted discloses (d) receiving the schedule from an in-store server by the kiosk [Milsted, Content Provider scheduled, Fig 1].

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).
